All you need to know

Arrival and departure times

On your day of arrival your accommodation is available from 4 pm, or earlier for some categories - please check pages 30-37 for the times from which you may check in. We are happy to welcome you at the Park earlier where you can take advantage of the Park facilities until your accommodation is ready for you.

In order for us to prepare for our next guests we do ask that you vacate your accommodation by 10 am on your day of departure.

Late Arrivals

If you expect to arrive after 6 pm on the first day of your stay, please let the Park know so we can make arrangements for you to collect your keys. Half Board guests should note that the restaurants are not open after 7 pm, although snacks are for sale on the Park. Unless the Park is previously notified, you must claim your accommodation by 8 am on the day after your holiday was due to start, otherwise we will treat your booking as cancelled.

Great family holidays

Haven's Parks and their facilities are intended for family and adult holidays. We are therefore sorry that we cannot accept bookings from groups of young people under the age of 21 years or single sex groups (i.e. of more than 2 people) of any age. Discretion may be applied in certain circumstances. We reserve the right to retain the keys for accommodation if this condition is contravened. We also reserve the right to refuse a booking if we feel that the enjoyment of our holidays for guests may be put at risk.

What do you need to bring?

Self-Catering

Our well equipped Self-Catering accommodation contains cooking items, crockery and cutlery as well as bed linen for your party's size. You will need to bring washing up materials, plus towels, toiletries and personal effects.

Half Board

Our Half Board accommodation provides towels as well as bed linen, so all you need to bring are pool/beach towels, toiletries and personal effects.

Launderette facilities are available for any washing you may need to do during your stay and subject to a moderate extra charge.

Dining arrangements for Half Board & Diner's Choice guests

7 night holidays, 3 night weekend breaks and 4 night midweek breaks provide breakfast and dinner. Meals start with dinner on the day of arrival and finish with breakfast on the day of departure.

Special menu requirements

All of our Half Board Parks provide vegetarian options at each meal. If anyone in your party has any other dietary requirements, please let us know when you book your holiday, using the special request box on the booking form, so that we can try and make special arrangements.

Special requirements

If you have any other special requests regarding your holiday accommodation please advise us when making your booking and confirm your request in writing when forwarding your booking form. Please include a telephone number in case of any query. We will endeavour to meet your requests, but we are very sorry that these cannot be guaranteed.

Guests with Special Needs

We are happy to provide as much advice and information as possible to people with special needs who wish to holiday at our Parks. It is important that you talk to us before making the booking as, for example, not all Parks or accommodation are suitable for guests with special needs and wheelchair access may be limited. It is therefore essential that you give us as much detail as possible so that we can advise you on suitable locations and ensure that you get the most enjoyment from your holiday. Many of our Self-Catering Parks have caravans especially adapted for wheelchair users. Please note that due to their weight and size, not all accommodation is suitable for electric wheelchairs.

We have modified some chalets at selected Parks to provide wider doorways, handrails and ramps for easier access.

Some guests may also need able-bodied assistance in some accommodation.

Again please discuss this with us before making your booking. Our team will be pleased to advise and assist you with your detailed requirements.

All requirements must be confirmed in writing when forwarding your booking form. Special requests cannot be made a condition of your booking as they are always subject to availability.

Dogs and other pets

For the convenience of other guests, no pets (with the exception of dogs for customers with Special Needs only) are allowed in Half Board accommodation.

Most dogs are welcome in selected accommodation at certain Parks, at a charge of £40 per dog per week & £20 per dog per short break, (up to a maximum of two dogs per booking). Dogs for customers with Special Needs are exempt from this charge. We reserve the right to decline certain breeds of dog.

Other pets may be permitted at the discretion of the Park General Manager. Please contact the Park direct to discuss charges prior to making your booking. Parks which do not accept animals are clearly identified on the individual Park pages of this brochure.

Where dogs are allowed, they must always wear a collar and identity tag and be kept on a lead under control of a responsible adult at all times. Dogs and other pets are not allowed entry to Park facilities, restaurants or food servery areas and swimming pool areas. Dogs are only allowed in 3 Star and Bronze accommodation, excluding 2003 model caravans. These restrictions do not apply to dogs for customers with Special Needs. We reserve the right to require the owner of any dog or other pet to remove it from the Park if we consider it a nuisance or to be interfering with the general comfort of guests.

Please note that where a public footpath or right of way crosses our Parks, dogs cannot be excluded from that area.

Cots and highchairs

Self-Catering

Cots for chalets are available at a charge of £10 per week and £5 per short break. We do not recommend the use of cots in caravans as they do not fit in the bedrooms. However, cot side rails are available for one single bed in some of our caravans at a charge of £10 per week and £5 per short break. Where there is no availability of caravans with cot rails, cots are provided but located in the lounge area. Please remember to bring your own cot linen. High chairs are also available for an extra charge - please call 0870 242 3333 for full costs and hire deposit charge details.

Half Board

Cots are provided free of charge and will usually be located in the main sleeping area. Highchairs are also available free of charge in Half Board restaurants.

All of the above are subject to availability. Please request at the time of booking.

Children

We provide a range of indoor and outdoor facilities for children.

PAWs (12 months-4 years)

The PAWs programme operates at all Parks throughout the main season from March-October. PAWs is an activity programme suitable for parents and children aged 12 months up to the age of 4. It is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions. Places are limited and parents are asked to reserve a place on arrival at the Park.

Rompers playroom (under 5's)

At selected Parks, Rompers playrooms and play areas are a cheerful place where your children have the opportunity to play under your supervision, both during the morning and in the afternoon.

Rory & Bradley's FunTime and Tiger Club (5-11 years)

At all our Parks we operate Rory and Bradley's FunTime and Rory's Tiger Club between March and October. The various activities and facilities provided are suited to the particular age groups. At certain times of the year Rory & Bradley's FunTime and Rory's Tiger Club activities may be combined. See individual Park pages for details.

T-CO (12-16+)

With their own dedicated leader, T-CO operates on all our Parks from March to October. The activity programme is more limited outside the main school holiday period.

Your responsibility

Please note: Children remain the responsibility of their parents or guardians at all times, at any of our activities or facilities. The club activities form part of our entertainment programme, and are not child care facilities. We do **not** provide supervision of the children during the sessions. We request parents to stay with their children at ALL times during PAWs & FunTime sessions and may have to ask them to do so during Tiger Club sessions.

It is important that you always know where your children are and that you know the times that the activities start and finish.

It is particularly important that you make sure that your children understand that they should always obey the instructions of the Haven FunStars, T-CO leaders, Sports Instructors and Lifeguards, so that the possibility of accidents can be reduced.

Please take care

Please treat the property, facilities and accommodation at your Haven Park with respect and care so that other guests may continue to enjoy them.

In the event that you notice damage to any facility or in your accommodation please report it to Reception immediately so that we can take the appropriate action.

Accommodation will be inspected at the end of the holiday and you may be charged for any loss or damage found. We reserve the right to enter accommodation under any circumstances or emergencies.

For the convenience of all our guests ball games are not permitted in the areas between and around the accommodation.

Licensing laws

In accordance with UK licensing laws, we can only sell alcohol to persons aged 18 or over. We may require you to show proof of age using an approved form of identification. We accept the following forms of ID at Haven Parks: full passport, a new style driving licence incorporating a photograph, a Portman Group proof of age card.

Use of your holiday home

Only those people listed on the booking can occupy your accommodation and use the facilities of the Park. If this legal requirement is not met, your booking will be terminated and you will be asked to leave, with no refund made.

Unreasonable behaviour

For the convenience of our guests, we reserve the right to terminate a holiday without compensation, where the unreasonable behaviour of the persons named on the booking form or their guests might impair the enjoyment, comfort or health of other guests.

Infectious diseases

Infectious or contagious diseases could easily be passed to other guests whilst on holiday. You must inform the Duty Manager should you contract any such illness whilst on holiday. In order to protect our guests and team, anyone found to have such a condition may be confined or requested to leave the Park. Please note that in such circumstances we are unable to offer refunds and we therefore recommend you take out personal insurance.

Calculating your holiday cost

The price grid on the individual Park pages shows the holiday cost for the holiday date and accommodation chosen. For two week holidays just add together the holiday cost for the two relevant weeks. Supplements will be charged if you have requested a cot or cot rail, a Rory caravan, or are bringing a pet. Please also note, supplements such as Cancellation Plan and Personal Insurance or Car Breakdown cover, must also be added, and are strongly recommended to give you peace of mind.

Occupancy supplements

At Half Board Parks, there are single chalets, but these are in great demand. When these are full and a single person occupies a chalet designed for two or more people, we will add a Single Occupancy Supplement to your invoice. Where a party of fewer numbers occupies a chalet designated for more people, an under occupancy supplement will be charged. Please check details of charges when you book.

Holiday prices

The prices and charges in our brochure or in these booking conditions are inclusive of VAT (where applicable). We guarantee once you have made your booking and paid a deposit we will not increase your holiday price unless you make a change to your booking, although we reserve the right to amend the VAT element of prices in the event of a change in the rate of VAT.

Certain caravans are not owned by us but are managed and let by us to holidaymakers on behalf of their owners who may not be registered for VAT. Where this is the case, the holiday price is not subject to VAT but includes an additional handling fee of 17.5% (inc. of VAT) so the final price for similar accommodation is identical.

Special and promotional offers

All offers are subject to availability and must be obtained by following specific offer terms and conditions. Offers cannot be obtained prior to, or following, the promotional period. In the majority of cases, only one offer will apply and offers may be withdrawn at any time.

Availability of facilities

The price grids on individual Park pages show the dates on which the Park is open, as well as the opening and closing dates of facilities such as outdoor swimming pools and certain services as well as the operation of our entertainment programme.

Please note that at Parks with more than one evening entertainment venue, at certain times of the season, entertainment may only be provided in one venue, in order to ensure everyone's enjoyment.

At selected Parks during these early and late periods entertainment is provided at weekends only, although our bars will be open for your enjoyment during the week.

Certain facilities may also have height and/or age restrictions. Please check at the time of booking. To ensure our guests enjoyment in the Indoor and Outdoor Pools, session bathing may occur.

The operation of our Parks is subject to legislation and the guidelines laid down by the Health & Safety Executive and Local Authorities and their Codes of Practice. We accordingly reserve the right to adjust our services in order to meet these standards.

It is possible that in some circumstances accommodation, entertainment, sports activities or a facility may be temporarily withdrawn, due to maintenance, renovation, adverse weather conditions, changes in governmental legislation, or any other factor outside our control.

We reserve the right to make such alterations in the above circumstances without prior notice, and are unable to accept liability for the loss of an advertised facility, or to pay compensation for any inconvenience caused.

Should changes occur, we will advise of these changes where made prior to booking, and will use reasonable endeavours to advise guests already booked of any changes made thereafter.

Certain facilities listed in this brochure are subject to an additional cost. Please note off peak facilities may be reduced or restricted. Facilities at the Park may be subject to a refundable booking deposit. You are welcome to use your own sports equipment, but equipment can be hired from the Park at a nominal charge. Parks which list fishing as a facility require a rod licence, and additional charges where applicable.

Funworks Passes

All holidaymakers names are registered at the club on the Park. The prices of the club Funworks passes are included in your holiday cost and are indicated throughout this brochure for each particular Park. You can collect your passes from reception on arrival. Your pass also entitles you to use the swimming pools, leisure and entertainment facilities for the duration of your holiday. Certain facilities listed in this brochure are subject to an additional cost. Off peak passes for Spring & Autumn, include reduced entertainment and restricted facilities and are therefore at a reduced rate. Please note: If Funworks passes are lost, it will be necessary to charge for replacements at the Park. The cost for individual passes may vary from Park to Park. Please check at reception.

Brochure accuracy

We take every care to ensure that the details of this brochure are accurate at the time of going to press. Photographs are taken at our Parks and are intended for guidance only. Layout plans are for illustrative purposes only. Please note that not all facilities and activities will be identical at all Parks. Acts and artists featured are representative of ones planned to appear in 2003. All reasonable efforts are made to ensure these acts and artists appear. If, for any reason, they are unable to appear, acts of a similar calibre will be entertaining guests during the season. We would ask you carefully to read the details of the Parks before making a booking.

If you have a comment

If you feel that you have any comments or complaints whilst on holiday, you should contact the Park's reception or Customer Relations Team at the Park during your stay so that we can try to resolve any problems as soon as possible. If, at the end of your holiday, you feel that we have not dealt with your complaint satisfactorily, please write to the General Manager at the Park no later than 28 days after the end of your break.

Conditions of Booking

The Holiday Contract

The following terms and conditions (the 'booking conditions') will apply to your booking. The person who signs the booking form will be accepting the booking conditions on behalf of the holiday party. A contract between you and Haven will come into existence either (i) when we accept your booking form and deposit payment by issuing written confirmation of your booking or (ii) if you have made your booking by telephone when we tell you on the telephone, or on line over the internet that your booking is confirmed or (iii) if you make your booking through a travel agent when your travel agent tells you your booking is confirmed.

The contract binds you and all the members of your party. It is your responsibility to ensure that all members of your party accept the terms of the contract set out in these terms and conditions of booking. Failure to disclose all relevant information or comply with these terms may lead to termination of the contract and loss of the booking.

If you change your booking

After you have paid your deposit you may wish to change some elements of the holiday, e.g. type of accommodation. We will try to meet your request, however, a charge of £20 per alteration to the holiday will be payable. Substantial changes, such as a change of location or holiday date will be treated as a cancellation (see below).

Any changes must be made at least 8 weeks before the holiday date, and be confirmed to us in writing/by telephone by the same person who signed the booking form or confirmation paperwork, or their Travel Agent.

Where changes are sought to be made within 8 weeks of the start of the holiday it will be treated as a cancellation, and be subject to cancellation charges as outlined.

If you cancel your booking

Should you wish to cancel your holiday please call the **Customer Care Department on 0870 242 3333** and they will advise you on the documentation we require to process your cancellation. Your cancellation must also be notified to us in writing. The written notification should be sent to us by recorded delivery as your cancellation will not take effect until we receive the written confirmation. If we do not receive written confirmation of your cancellation before your holiday has commenced no refund will be given.

Our Cancellation Plan covers your cancellation in event of you or any other member of your holiday party being unable to travel due to sickness, redundancy or jury service. Proof in the form of a doctor's certificate, employer's or court notification will be required in writing by recorded delivery prior to your confirmed holiday start date.

If you are covered by our Cancellation Plan and comply with our cancellation plan procedures in the condition above, you will be entitled to a full refund of all monies paid subject to:

1. An administration charge of £40, unless your cancellation occurs within 48 hours of your holiday start date, in which case the refund will be limited to 30% of the total holiday cost.

2. If you have our Cancellation Plan on your booking and need to cancel your holiday for reasons other than stated above, you will incur the following cancellation charges in line with the sliding scale shown below, which covers the costs and expenses which we incur as a result of your cancellation.

Number of days in advance of holiday start date cancellation charges are payable:

Length of time	*Cancellation Charge*
56 days or more	*Deposit and Insurance premium(s)*
43-55 days	*30% of total holiday cost*
42-29 days	*50% of total holiday cost*

7 days or less	*100% of total holiday cost*

Please note that the minimum charge is £40 per accommodation unit cancelled. Payments made by Credit Card will be repaid to the same Credit Card if the Cancellation Plan is paid out.

***If you do not take out Cancellation Plan or an insurance cover of your own* NO REFUND WILL BE GIVEN ON ANY MONIES PAID.**

If we make any major alterations to your booking

We try very hard to provide all facilities and entertainment as advertised in our brochure. It may however be necessary to make some alterations in advance of your holiday. If such a change is necessary, we will endeavour to advise you, or your travel agent in writing as soon as possible, and give you the options in the section entitled 'Options if we make a major change or cancel your booking'. For minor or last minute alterations, please see the section entitled availability of facilities on page 128.

If we cancel your booking

We will give you the following options:

a. accept the alternative arrangements as notified to you

(1) there was wilful default by us, our employees or agents, or

(2) death or personal injury was caused by the negligence of Haven Holidays, our employees or agents.

For all claims other than death or personal injury, which result from the non-performance or improper performance of the contract by Haven Holidays, Haven Holidays will pay compensation that is reasonable in all circumstances. No action can be taken in respect of any complaint not brought to the attention of the Park Duty Manager.
